Statust: 18 July 2023

This list includes all institutions represented in Archives Portal Europe. Those that also have content available for searching are marked in green. Yellow rows indicate the change from one country to the next. The list is sorted alphabetically by country name first and then alphabetically by name of institution. Click the link to get to the details page with more information about each institution (including references to this institution's collections if available in the portal).

Statust: 18 July 2023

This list includes all institutions represented in Archives Portal Europe. Those that also have content available for searching are marked in green. Yellow rows indicate the change from one country to the next. The list is sorted alphabetically by country name first and then alphabetically by name of institution. Click the link to get to the details page with more information about each institution (including references to this institution's collections if available in the portal).

Statust: 18 July 2023

This list includes all institutions represented in Archives Portal Europe. Those that also have content available for searching are marked in green. Yellow rows indicate the change from one country to the next. The list is sorted alphabetically by country name first and then alphabetically by name of institution. Click the link to get to the details page with more information about each institution (including references to this institution's collections if available in the portal).

Statust: 18 July 2023

This list includes all institutions represented in Archives Portal Europe. Those that also have content available for searching are marked in green. Yellow rows indicate the change from one country to the next. The list is sorted alphabetically by country name first and then alphabetically by name of institution. Click the link to get to the details page with more information about each institution (including references to this institution's collections if available in the portal).

Statust: 18 July 2023

This list includes all institutions represented in Archives Portal Europe. Those that also have content available for searching are marked in green. Yellow rows indicate the change from one country to the next. The list is sorted alphabetically by country name first and then alphabetically by name of institution. Click the link to get to the details page with more information about each institution (including references to this institution's collections if available in the portal).

Statust: 18 July 2023

This list includes all institutions represented in Archives Portal Europe. Those that also have content available for searching are marked in green. Yellow rows indicate the change from one country to the next. The list is sorted alphabetically by country name first and then alphabetically by name of institution. Click the link to get to the details page with more information about each institution (including references to this institution's collections if available in the portal).

Statust: 18 July 2023

This list includes all institutions represented in Archives Portal Europe. Those that also have content available for searching are marked in green. Yellow rows indicate the change from one country to the next. The list is sorted alphabetically by country name first and then alphabetically by name of institution. Click the link to get to the details page with more information about each institution (including references to this institution's collections if available in the portal).

Statust: 18 July 2023

This list includes all institutions represented in Archives Portal Europe. Those that also have content available for searching are marked in green. Yellow rows indicate the change from one country to the next. The list is sorted alphabetically by country name first and then alphabetically by name of institution. Click the link to get to the details page with more information about each institution (including references to this institution's collections if available in the portal).

Statust: 18 July 2023

This list includes all institutions represented in Archives Portal Europe. Those that also have content available for searching are marked in green. Yellow rows indicate the change from one country to the next. The list is sorted alphabetically by country name first and then alphabetically by name of institution. Click the link to get to the details page with more information about each institution (including references to this institution's collections if available in the portal).

Statust: 18 July 2023

This list includes all institutions represented in Archives Portal Europe. Those that also have content available for searching are marked in green. Yellow rows indicate the change from one country to the next. The list is sorted alphabetically by country name first and then alphabetically by name of institution. Click the link to get to the details page with more information about each institution (including references to this institution's collections if available in the portal).

Statust: 18 July 2023

This list includes all institutions represented in Archives Portal Europe. Those that also have content available for searching are marked in green. Yellow rows indicate the change from one country to the next. The list is sorted alphabetically by country name first and then alphabetically by name of institution. Click the link to get to the details page with more information about each institution (including references to this institution's collections if available in the portal).

Statust: 18 July 2023

This list includes all institutions represented in Archives Portal Europe. Those that also have content available for searching are marked in green. Yellow rows indicate the change from one country to the next. The list is sorted alphabetically by country name first and then alphabetically by name of institution. Click the link to get to the details page with more information about each institution (including references to this institution's collections if available in the portal).

Statust: 18 July 2023

This list includes all institutions represented in Archives Portal Europe. Those that also have content available for searching are marked in green. Yellow rows indicate the change from one country to the next. The list is sorted alphabetically by country name first and then alphabetically by name of institution. Click the link to get to the details page with more information about each institution (including references to this institution's collections if available in the portal).

Statust: 18 July 2023

This list includes all institutions represented in Archives Portal Europe. Those that also have content available for searching are marked in green. Yellow rows indicate the change from one country to the next. The list is sorted alphabetically by country name first and then alphabetically by name of institution. Click the link to get to the details page with more information about each institution (including references to this institution's collections if available in the portal).

Statust: 18 July 2023

This list includes all institutions represented in Archives Portal Europe. Those that also have content available for searching are marked in green. Yellow rows indicate the change from one country to the next. The list is sorted alphabetically by country name first and then alphabetically by name of institution. Click the link to get to the details page with more information about each institution (including references to this institution's collections if available in the portal).

Statust: 18 July 2023

This list includes all institutions represented in Archives Portal Europe. Those that also have content available for searching are marked in green. Yellow rows indicate the change from one country to the next. The list is sorted alphabetically by country name first and then alphabetically by name of institution. Click the link to get to the details page with more information about each institution (including references to this institution's collections if available in the portal).

Statust: 18 July 2023

This list includes all institutions represented in Archives Portal Europe. Those that also have content available for searching are marked in green. Yellow rows indicate the change from one country to the next. The list is sorted alphabetically by country name first and then alphabetically by name of institution. Click the link to get to the details page with more information about each institution (including references to this institution's collections if available in the portal).

Statust: 18 July 2023

This list includes all institutions represented in Archives Portal Europe. Those that also have content available for searching are marked in green. Yellow rows indicate the change from one country to the next. The list is sorted alphabetically by country name first and then alphabetically by name of institution. Click the link to get to the details page with more information about each institution (including references to this institution's collections if available in the portal).

Statust: 18 July 2023

This list includes all institutions represented in Archives Portal Europe. Those that also have content available for searching are marked in green. Yellow rows indicate the change from one country to the next. The list is sorted alphabetically by country name first and then alphabetically by name of institution. Click the link to get to the details page with more information about each institution (including references to this institution's collections if available in the portal).

Statust: 18 July 2023

This list includes all institutions represented in Archives Portal Europe. Those that also have content available for searching are marked in green. Yellow rows indicate the change from one country to the next. The list is sorted alphabetically by country name first and then alphabetically by name of institution. Click the link to get to the details page with more information about each institution (including references to this institution's collections if available in the portal).

Statust: 18 July 2023

This list includes all institutions represented in Archives Portal Europe. Those that also have content available for searching are marked in green. Yellow rows indicate the change from one country to the next. The list is sorted alphabetically by country name first and then alphabetically by name of institution. Click the link to get to the details page with more information about each institution (including references to this institution's collections if available in the portal).

Statust: 18 July 2023

This list includes all institutions represented in Archives Portal Europe. Those that also have content available for searching are marked in green. Yellow rows indicate the change from one country to the next. The list is sorted alphabetically by country name first and then alphabetically by name of institution. Click the link to get to the details page with more information about each institution (including references to this institution's collections if available in the portal).

Country	Name of the institution	URL for details page	Content available
UNITED KINGDOM	University of Stirling Archives & Special Collections	https://www.archivesportaleurope.net/advanced-search/search-in-institutions/results-(institutions)/?repositoryCode=GB-559	Yes
